

MORTON LOGGER'S JUBILEE LAWNMOWER RACING RULES

Friday, August 8th, 2025

DRIVER/CREW RULES:

1. **NO GATE REGISTRATION - PRE-REGISTRATION ONLY.** See race application.
2. The Pit area is on School property. State law REQUIRES, No Smoking, Alcohol or Guns allowed in this area!
3. Racers must be at least 18 years of age. No one under 18 or pets are allowed in Pit area. SECURITY WILL BE CHECKING VEHICLES AND COOLERS AT THE GATE.
4. The Race Committee or Arena Officials have the right to refuse entry or remove anyone.
5. **CHECK IN TIME & MOWER INSPECTION 3pm - 5pm.** Due to shortage of space in Pit area, NO LARGE TRAILERS permitted.
6. Drivers must be at least 18 years of age. Drivers MUST wear helmets.
7. **DRIVERS ARE RESPONSIBLE FOR YOUR PIT CREW!** We will not tolerate ANY VIOLATION or disorderly conduct. If your crew violates our rules, ALL OF YOU WILL BE DISQUALIFIED from the race, PERIOD!
8. ONLY 00-99 Numbers are allowed. Must be 5 inches high on FRONT & RIGHT side with WHITE BACKGROUND. Past Racers registering have first choice on their race numbers.
9. **DRIVER MEETING IS MANDATORY TO ALL DRIVERS, 6:30pm.** Track rules will be explained at that time.

MOWER RULES:

1. Stock lawnmower frame, chassis and suspension required. Reinforcement to the frame is allowed.
2. Non altered lawnmower turf tires and rims only. No aluminum wheels or hubs! No knobbies or tractor type V-tread.
3. Original or facsimile mowing deck MUST be in place. Blades must be removed.
4. Steering arms and tie rods may be strengthened and steering wheel or handle bar may be used.
5. Gear ratios and pulleys may be changed, but must have lawnmower gearbox, transmission or transaxle.
6. Drive chains and belts that are exposed MUST be shielded.
7. Brakes are allowed, but not mandatory.
8. Gas tank is to remain under hood but may be moved. Fuel pumps and vacuum pumps are OK, but NO SLIDE-CARBARATORS.
9. Mowers MUST be equipped with GROUND KILL SWITCH that attaches to driver. This will be tested before entry into the Pit Area.
10. Mower overall width must not exceed 36". Front axle height must be at least 5.5 inches. There is NO weight limit.
11. Engines must be stock appearing Briggs or Tecumseh, 8.0HP, 8.5HP, 4 cycle (or smaller). No 5HP Honda engines.
12. **ADDITIONAL NEW ENGINE NOW ALLOWED - Predator 212.** Must maintain stock appearance. Top plate may be used for throttle linkage/fuel pump. Carburetor must be factory appearing.
13. Centrifugal clutches are OK, but NO TORQUE CONVERTERS. Can be direct drive but Jack Shafts are also OK.
14. ALL engines must have an ONBOARD pull starter or an electric starter.
